

SOCIETY OF PHYSICS STUDENTS (SPS) EVENT

What can you do with a physics degree?

Elizabeth Z Okwudi
Career Services
Cleveland State University

Abstract:

Please come and join us for a special presentation: SPS officers along with Elizabeth Z. Okwudi from Career Services will make a presentation about career opportunities for graduates with physics degrees (*including physics minor*). Different employment venues, the starting salary in the field, and the employment rates for graduates with physics degrees (BS, BA, minor) will be presented. Pizza and pop will be provided!
