Note: Students who are in need of housing accommodations must submit their request to the Office of Disability Services (ODS) for review and approval. Once approved, ODS will notify the Department of Residence Life & Housing and will proceed from there. Visit the [ODS Register with Us](#) page to start the process.

Gender-Inclusive Housing Options

Cleveland State offers Gender-Inclusive housing assignments so that students can be assigned to a space in the residence halls with no regard to gender. If you would like to participate in this program, please complete the information below. Requested roommates must also complete this form in order to be matched. If you do not have specific roommate requests, we will match you with other students participating in gender-inclusive housing.
