Degree Total hours: 120 hours

Assumptions: College-level readiness in Math and English; no Foreign Language Deficiency

College / Program Notes:

The plan above is a suggested guide to ensure that all Core Curriculum, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Core Curriculum courses.

* General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 120 total credit hours**, of which a **minimum of 24 credit hours must be upper division** (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

P - Pre-requisite courses that MUST be completed before entering the Nursing Program

Core Curriculum Key:	QFR = Quantitative & Formal Reasoning (one course)
IL = Inquiry Launch (one course)	RPW = Research & Professional Writing (one course, C or better required)
