## **Incomplete Grade Agreement**

This form should be completed to receive an incomplete ("I") grade and signed by the student and instructor. Copies of the completed form should be maintained by the student, the instructor, the Department Chair, the Registrar, and OIE/ODS as applicable.

## **Guidelines for Incomplete Grades:**

The grade of Incomplete ("I") may be assigned when the work in a course has been generally passing, but when some specifically required coursework has not been completed through no fault of the student or under other appropriate circumstances as determined by the Office for Institutional Equity (OIE) or the Office of Disability and Testing Services (ODS). The following guidelines should be used when assigning an "I" grade:

- 1. An "I" grade can be assigned by the instructor when all of the following conditions are met:
  - a. The instructor believes that the student has the potential to complete and pass the course
  - b. Student has not completed all coursework for reasons deemed justified by the instructor or OIE/ODS,
  - c. The student's circumstances, such as serious illness or accident, warrant the "I" grade; and
  - d. The student has requested an Incomplete from the Instructor or OIE/ODS prior to the end of the grading period.
- 2. An "I" grade can be an academic accommodation deemed appropriate by the Office for Institutional Equity or the Office of Disability and Testing Services.
- 3. In general, failure of a student to appear for a final exam without an explanation to the instructor would not be sufficient grounds for giving an "I" grade.
- 4. Deadlines for completion of "I" grades are posted in the Academic Calendar, and are the last day of instruction for the following semester (with the exception of Spring, which extends into Fall due to the shorter Summer semester).
- 5. Incomplete grades not satisfied by the stated deadline will become failing grades ("F").
- 6. With the exception of Incomplete Grades issued as an accommodation, extensions of the deadlines must be considered by College Petition, and submitted prior to the stated incomplete deadline.
- 7. Other resources:
  - a. Grading regulations in the CSU Undergraduate Catalog
  - b. The ODS Student Handbook
  - c. The ODS Faculty Handbook
  - d. The Policy Against Discrimination, Harassment, Sexual Violence and Retaliation
  - e. The Procedures of the Office for Institutional Equity for Investigating Complaints of Discrimination, Harassment, Sexual Violence and Retaliation
