# Fraternity & Sorority Life Report

2023-2024

# Introduction

The Center for Campus Engagement and Fraternity & Sorority Life is excited to share with you our 2023–2024 Fraternity & Sorority Life Report. We believe it is important to share our organizations' collective accomplishments.

Fraternity & Sorority Life experienced significant achievements this school year, and many students reported having their most successful year so far since joining. The community saw significant growth that has not been seen since the Covid-19 pandemic began in 2020. Our groups raised record amounts for national and local causes and completed over 3,400 hours of service within our communities. Over the Fall and Spring semesters, 103 new members joined a fraternity or sorority at CSU. This report shares more about these accomplishments in detail through data.

**The categories of data shared in this report in order are:**

- **Council Data**
- **Academic Excellence**
- **Membership Data**
- **Membership Summary**
- **Community Impact – Philanthropy & Service**
- **Education and Member Development**
- **Individual Organization Accomplishment Highlights**

We share these accomplishments to highlight the work being done by our student leaders, chapters, councils, and advising teams each year and celebrate their impact on and off campus. We look forward to seeing what Fraternity & Sorority Life can accomplish next year. The Center for Campus Engagement is so proud of our FSL community and their achievements.

Sincerely,

**The Center for Campus Engagement Team**
