Trustee Levin moved, and Trustee Moreno seconded, the motion to approve the minutes. The minutes were approved by voice vote.

REPORT OF THE CHAIRMAN

Chairman Rawson reported that the Executive Committee met on April 24, 2013 to approve the purchase agreement for the Rascal House property at 2064 and 2102 Euclid Avenue and change orders to the B & B Wrecking contract for clearing the site and creating a solid foundation for the construction of the Center for Innovation in Health Professions. He also reported the Executive Committee acted on a personnel matter.

Trustee Gunning observed that loose debris found under building foundations is a common occurrence in Cleveland. He suggested that future demolition and site preparation contracts be budgeted accordingly.

The following resolutions were passed by the Executive Committee, and are entered into the record:

BE IT FURTHER RESOLVED that the Executive Committee authorizes the University Administration to execute Change Order #12, in the amount of \$347,525.00.

Chairman Rawson noted that the Bylaws of the Board of Trustees call for the annual election of officers. He appointed Trustees Ronald E. Weinberg, June E. Taylor and Richard L. Bowen to serve on the Nominating Committee, chaired by Trustee Weinberg. He also noted that it would be an opportune time to review how the Board functions (i.e. committee and Board meetings held on the same day) and invited feedback from the Board members so that the procedures could be modified in June.

REPORT OF THE PRESIDENT

President Berkman reported that he and Trustee Taylor recently attended an interesting series of meetings at the Association of Governing Board's conference in San Francisco. He observed that over the years, the trustees and presidents have become more actively engaged in discussions, ranging from athletics to finance. Trustee Taylor encouraged other Trustees to

attend the AGB National Conference on Trusteeship in the future. She met trustees from Ohio, other states and nations. She noted that the articles and information about higher education shared with our Board members throughout the year is good preparation for these types of meetings and discussions.

President Berkman noted that there were 160 graduates at the Law Commencement ceremony on Saturday, May 18. Honorary degrees were awarded to keynote speaker, Nina Totenberg, who covered the Supreme Court and legal affairs, and Brent Larkin, Cleveland's chief political voice. The Dean's Award was given to NBC News correspondent Carl Stern.

President Berkman reported that nationally, there are 2.3% fewer students enrolled on campuses than in 2012. Public and private colleges and universities have experienced a 4% decline in enrollment over the last two years. He noted the decline is greatest in the Midwest, and a faster rate of decline among two-year and community colleges. There are less high school graduates, and a more competitive and technical environment.

President Berkman announced that Cleveland State University has five to six new police officers. There is a greater visibility of police around campus, making it one of the safest districts downtown. He thanked Vice President McHenry, Assistant Vice President Han and everyone involved for a good year.

President Berkman reported that the Cleveland School District plans to use \$4.5 million from the sale of its district headquarters to create a new school downtown, or expand one or more existing schools. The state will match new construction 2-to-1. A case is being made for the Campus International School and investing in a location where there is already K-12 and a high school presence on campus.

In closing his remarks, President Berkman announced that he will serve as Vice Chair of the Inter-University Council next year. He observed that 75-80% of the presidents attend the meetings and are actively engaged.

REPORT OF THE CSU FOUNDATION CHAIR

Chairman Rawson announced that the Chair of the CSU Foundation is changing leadership from Steve Minter to Steve Kirk in June. He thanked Mr. Minter for the service he has provided the University in his various roles and, most recently, as Chair of the CSU Foundation Board of Directors.

Mr. Minter reported that the *Radiance* event was a tremendous success. The President's Medal was awarded this year to Trevor and Jennie Jones, drawing a standing room only crowd. Gross revenue of \$766,000 was raised, exceeding the \$750,000 fundraising goal. Mr. Minter noted 100% participation among the members of the Board of Trustees and the CSU Foundation Board of Directors. He thanked Mr. Adler and Mr. Cosgrove for their service over the past three years as *Radiance* Co-Chairs.

Mr. Minter noted that the quarterly fundraising reports and resolution accepting the gifts for the third quarter are part of the Consent Agenda. He highlighted the Kenneth I. Lieberman Memorial Endowment, which was the second endowment created with the University, and a new pledge of \$50,000 by Daniela Stankic for an endowed scholarship in entrepreneurship. Among the gifts and grants reported, Mr. Minter noted a veterans scholarship by Brian W. Airing, a 1988 Fenn College graduate. He reported a total of \$4.6 million cash raised as of March 31, 2013 against a goal of \$6.3 million for FY13. The number of alumni donors has increased to 4,369.

In closing his report, Mr. Minter noted that the CSU Foundation investments had a strong performance in the fourth quarter and were up 13.3%. Breakfast meetings were hosted at

Sherwin Williams, Eaton, and Forest City. Others are to follow. New directors and officers will be elected at the annual meeting of the Foundation, to be held in June.

Trustee Adler observed that during the last three years, there has been a tremendous transformation in the Advancement area, and that the CSU Foundation is much different today due to the leadership and efforts of Steve Minter. He was congratulated with applause.

FY14 UNIVERSITY BUDGET AND TUITION OPTIONS

Vice President McHenry continued building on the information presented in the morning at the Financial Affairs Committee meeting, and presented the FY14 University budget and tuition recommendations for discussion (**Attachment A**). The FY14 tuition decisions of other Ohio universities were reviewed. It was noted that Ohio State University, University of Cincinnati, and the University of Toledo announced freezing undergraduate in-state tuition. Over the last five years, the average public university tuition increased less in Ohio (2.8%) than any other state in the nation, except Maryland (2.2%).

The University Administration recommended FY14 Budget Scenario B-I: no change in student credit hours from FY13, tuition increases of 2% for in-state and out-of-state undergraduates and graduates, 9.5% for law, while maintaining the surcharges. The recommended 2% in-state undergraduate tuition increase would still place Cleveland State University in a competitive position among the northeastern Ohio universities. Board members suggested taking a closer look at the international students and rate compared to other universities.

Trustee Moreno suggested considering a bold step in decreasing tuition by 2%. Chairman Rawson indicated that funds would be needed to attract and support faculty, as well as provide financial aid and support other strategic initiatives. He cautioned that revenue produced

from increases not made now cannot be recaptured later. Decisions on the FY14 University budget and tuition would be made at the June 26, 2013 Board meeting.

ACADEMIC AFFAIRS

Chairman Moreno reported that the Academic Affairs Committee met in the morning. He noted a theme of transformation and cooperation following a vote of “no confidence” from the faculty. The Committee recommended approval of revisions to the Faculty Personnel Policies and Bylaws. Information was presented on the 4-to-3 credit hour conversion process, as well as the creation of a new block scheduling grid and freshman foundations that will benefit student success.

Chairman Moreno noted that one third of the credit hour conversion has been attained. The Administration is aligned with the University Curriculum Committee. He applauded the faculty, staff and Administration for their cooperation and work on such a large effort.

FINANCIAL AFFAIRS

Chairman Levin reported that the Financial Affairs Committee had just met. Four items: change orders for the Central Parking Garage structural repairs, Rhodes Tower/Main Classroom Plaza waterproofing and concrete repairs, West Center Campus lease extension, and selection of the external auditor for FY 2013-2017 were recommended by the Committee and appear on the Consent Agenda for Board approval. Information was presented on the third quarter financials, enrollment, FY14 budget, and status of the Center for Innovation in Health Professions project.

CONSENT AGENDA

Chairman Rawson stated that routine matters, or those discussed previously, are considered on the consent agenda. He asked if there were any consent agenda items that Board members wished to remove and discuss individually. There were none.

Trustee Weinberg moved, and Trustee Moreno seconded, the motion to approve the consent agenda items: Revisions to the Faculty Personnel Policies and Bylaws (**Attachment B**), Faculty Tenure Recommendation for Provost-designate Dr. Deirdre M. Mageean (**Attachment C**), Bachelor of Arts in Economic Development (**Attachment D**), Trademark Protection for GLOBALTARGET (**Attachment E**), Revisions to the New Employee Background Check Policy (**Attachment F**), Central Parking Garage Change Orders (**Attachment G**), Rhodes Tower/Main Classroom Plaza Waterproofing and Concrete Repairs Project (**Attachment H**), West Center Campus Extension Lease Agreement (**Attachment I**), Selection of External Auditor for FY 2013-2017 (**Attachment J**), Acceptance of Gifts and Pledge Payments for FY13, Third Quarter (**Attachment K**), and Acceptance of Sponsored Programs Funds for FY13, Third Quarter (**Attachment L**).
