

International Services

The voice and data plans that are added onto the phone at time of ordering are for domestic calls/data only (Continental US).

An additional plan called International Day Pass will also be added to the phone.

The plan can remain on the phone and you are only billed when used. The plan is activated when you are traveling and make a call, send a text message or use data services (i.e. email, internet, apps).

The daily charge for the International Day Pass is \$10.00 per 24-hour charge and includes:

- Unlimited voice calls
- Unlimited text messages
- Data usage goes against current data plan (Data plan is unlimited).

The International Day Pass is available in over 100 countries:
